International Office

The background image shows a blurred office environment. On the left, a man in a grey t-shirt and khaki pants is walking, holding a large yellow folder. In the center, a dark blue rectangular box contains white text. On the right, a man in a light blue button-down shirt is sitting at a desk, looking down at papers. In the foreground on the right, a hand is holding a red pen over a laptop keyboard. The laptop screen is white. To the right of the laptop, there are some colorful sticky notes and a black pen. In the background on the right, there are red and blue storage boxes on a shelf.

PAR INTERNATIONAL OFFICE

Our office activately promotes the development of international programs and cooperation as one of the strategic goals of PAR Business School. The mobility of students and staff is primarily ensured through Erasmus + and bilateral partnership agreements, international student internship programs and short study programs aimed at international students and internationalization "at home."

ERASMUS+ PROJECTS

PAR Business School has been participating in Erasmus+ projects since 2017

As the leading organization or partner, we joined more than 30 international projects, covering the topics of entrepreneurship, digital literacy, employability, sport management and finance.

INCOMING ERASMUS+ STUDENT & STAFF MOBILITY

Within the framework of the Erasmus+, PAR Business School is focusing especially on student credit mobility for studies and work placements, staff mobility for teaching and training, strategic partnerships with key stakeholders and knowledge alliances with companies. Erasmus + related activities, such as support for incoming students and (non) teaching staff, the expansion of international cooperation through the signing of interinstitutional agreements and the organization of international events are the everyday life of the International office on PAR

INTERNATIONAL STUDENT INTERNSHIP PROGRAM

PAR Business School offers an international student internship programme that includes project-based learning, research assignments, business skills and competencies development, and personal development enhancement. The programme enables motivated students to develop new ideas, solve challenging tasks and develop new professional skills, all while learning about and discovering a new cultural environment.

SAIL & LEARN SUMMER SCHOOL

The Summer School Sail and Learn offers a unique cultural and educational experience for international students. The summer school program is based on innovative approach and teamwork.

Throughout the 7-day program, students visit a number of cultural and historical sights on the islands that help them develop a sense of local culture. There are many prominent lecturers each year. Students are situated on sailboats during the program and share their living space and cabins with other students.

INCASO WINTER SCHOOL

February 17-21, 2021

International Carnival School (INCASO)
is an international student program
in Marketing and Entrepreneurship held
during the Rijeka Carnival Program.
INCASO offers cultural immersion into
the traditions of the Croatian Northern
Adriatic Region and participation in the
biggest project of Rijeka Tourist Board
- Rijeka Carnival.

PAR BUSINESS CAMP

November 16-22, 2020

PAR Business camp (PPK) started in 2013 as the PAR Youth Forum with main topic "How Young Entrepreneurs Learn". Throughout the years, it became a place where young startups and entrepreneurs can come to acquire a new set of skills. As it always is, networking is one of the key aspects of the camp where you can connect with other participants as well as lecturers. While working in the team and on your own set of skills, at all time you will have the support of our mentors. Mentors are there for you and you will be encouraged to ask as many questions as you might have.

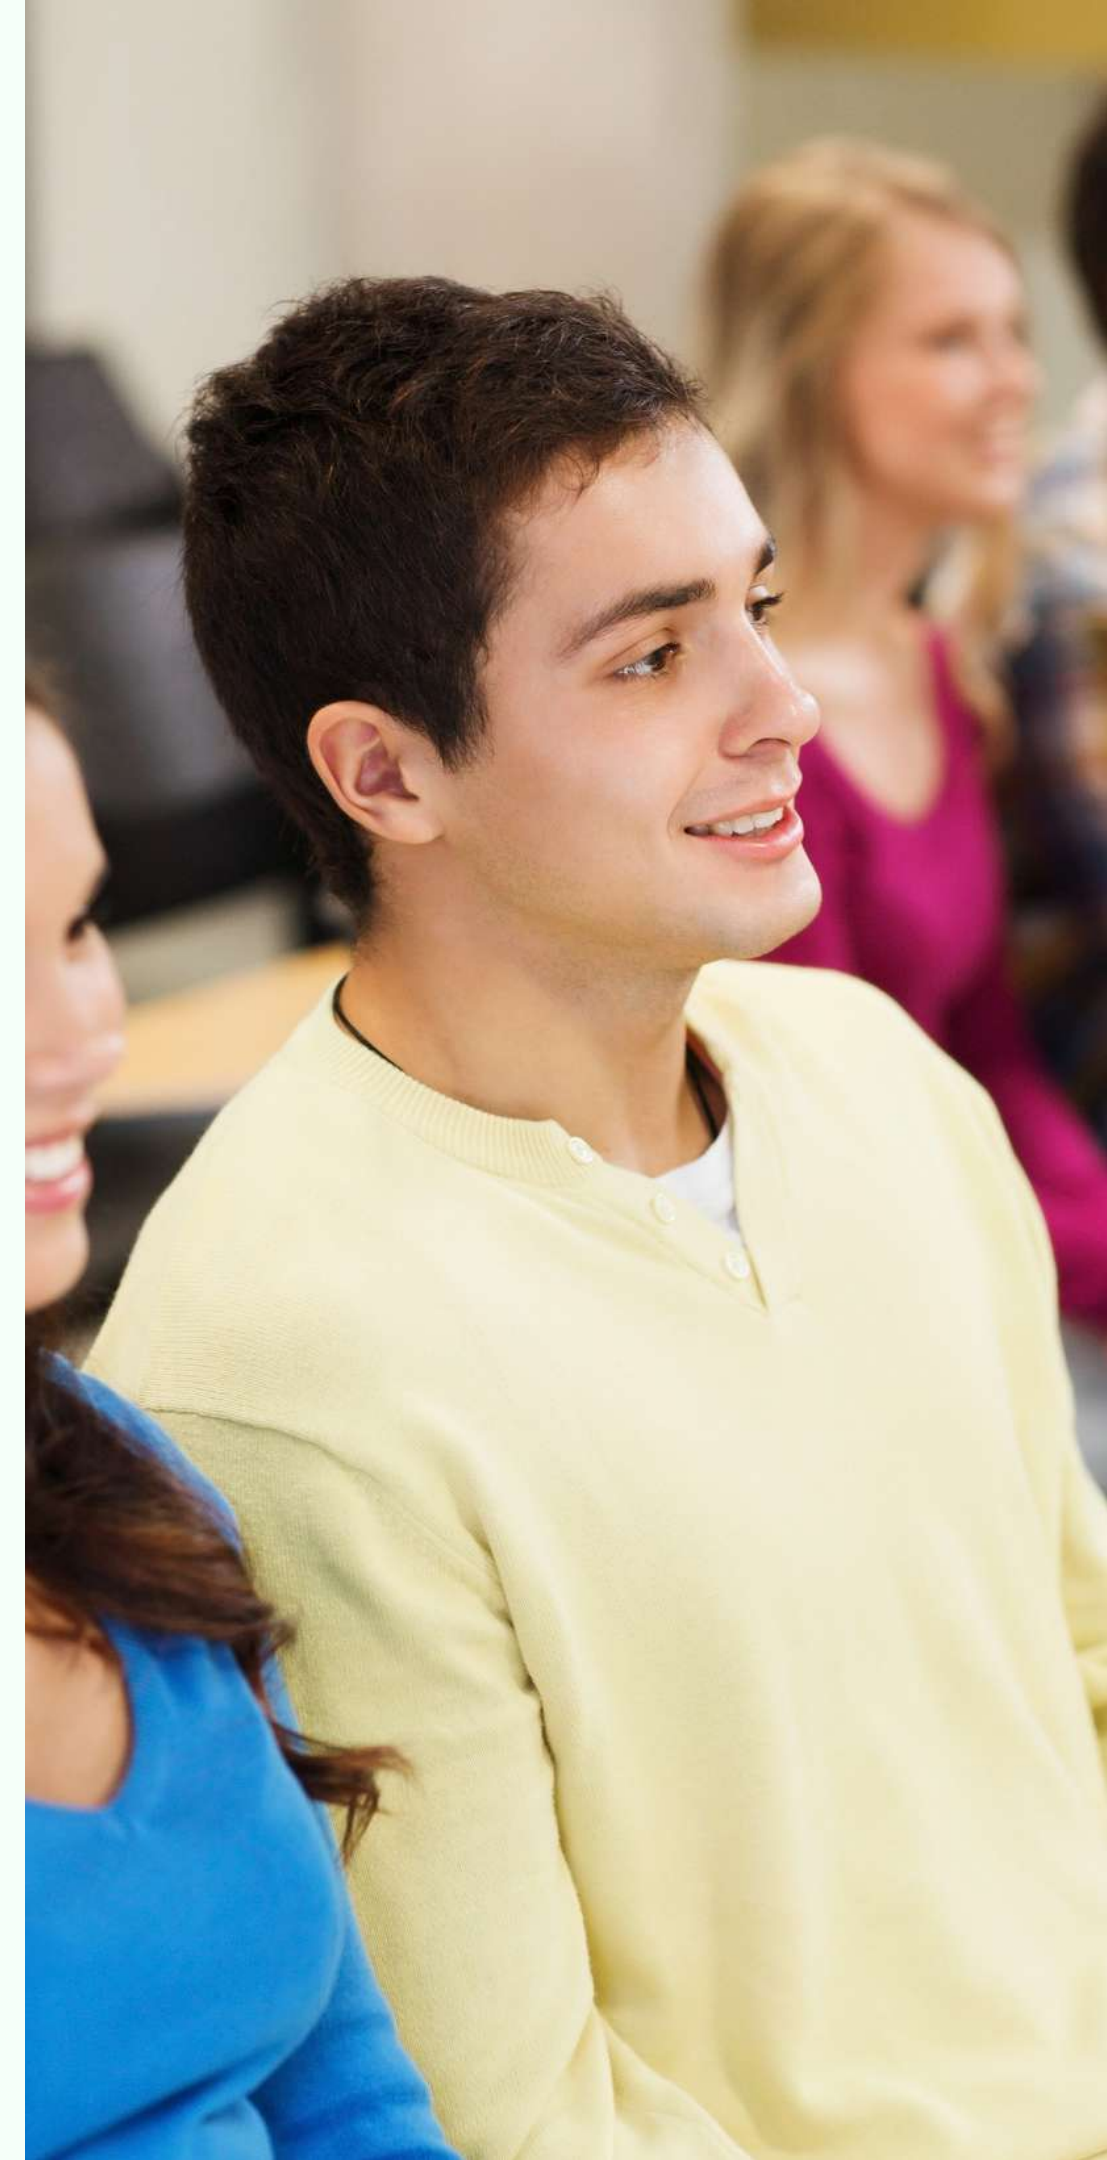

PAR INTERNATIONAL BUSINESS TEACHING WEEK

March 24-26, 2021

Hosting incoming staff on Erasmus+
Teaching Mobility
PAR International Leadership.
Conference is taking place
during the Teaching Week and
entire program is delivered in English.

RIJEKA

Rijeka has been awarded the prestigious title of European Capital of Culture 2020 due to its history and to the projects that are being carried out. Rijeka is also the first Croatian city to boast the title of Port of diversity.

Do you love the dynamic life of a unique city and what it offers in terms of entertainment and culture? Or would you prefer beautiful beaches, greenery, tradition, nature, sometimes crowds and sometimes solitude?

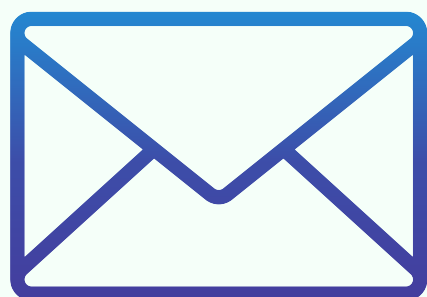

If you want all of that at once, you have already made your choice – Rijeka. The rich and diverse surrounding area provides you with the opportunity to escape into tradition, romance, pristine flavours or adrenaline sports. Truly, a unique mosaic!

The background of the slide features a photograph of a group of young adults, likely students, standing in front of a large, abstract mural. The mural is composed of bold, blue and white shapes on a textured wall. On the left, a young woman with red hair, wearing a red t-shirt and blue jeans, is smiling and pointing towards the camera. To her right, a young man with dark hair is partially visible. On the right side of the image, a young woman with long dark hair, wearing a patterned blouse and a dark skirt, is also smiling. Behind her, a young man in an orange shirt is visible. The overall atmosphere is positive and academic.

PAR BUSINESS SCHOOL

The first and only private institution of higher education in its region. It was founded in 2011 and since 2012, conducting a Bachelor program in Business Management with the aim of educating young, modern, and entrepreneurial oriented people as a response to need of future students who want a different kind of education. Since 2020, it offers a Master program in Business Management too.
